To whom it may concern,

This is to confirm that Hindon CEVA Primary School has 4 Classrooms. Three classrooms are within the main school and one is a mobile classroom.

The mobile classroom has its own toilet facilities.

We also have an on - site kitchen and a school hall as well as an admin office, staff room and storage facilities.

We also have planning permission for a further extension within our school grounds.

We have capacity for 65 + pupils. My estimation is that we could accommodate 80 children in our existing classroom/building set up.
