# **HINDON NEIGHBOURHOOD DEVELOPMENT PLAN OUTLINE PROPOSALS**

**OPEN DAY  
20<sup>th</sup> January 2018  
at the Fellowship Club  
come anytime between  
10.30am and 4.30pm**

## **FEEDBACK FORM**

### **INTRODUCTION**

To enable the Steering Group to develop the Hindon Neighbourhood Development Plan, we ask that residents of the village complete this form.

You will have obtained this form following your attendance at the Drop-in session on January 20<sup>th</sup> 2018 at the Fellowship Club and therefore trust that through the display boards and any questions you might have raised that you have obtained sufficient information to make considered judgements on what is a further proposal following the meetings on 11<sup>th</sup> and 18<sup>th</sup> February 2018.

We would remind you that having your Neighbourhood Plan in place is the key way to ensure that potential developments are at an appropriate density, are designed to enhance Hindon's character and are in response to the community's needs.

## Feedback Form 1

Following the Hindon Neighbourhood Plan drop-In sessions in February 2017, and the constructive subsequent feed-back comments the Steering Group were able to summarise the key points and the issues that concerned many in the village. (For your comments on the Chicklade Road proposals please see Feedback Form 2 on the later pages).

The following points are noted as a reminder of the principal points discussed. This is not a comprehensive list but they are those raised which have most influenced subsequent proposals.

**Development Sites.** Of the four sites proposed initially, only Chicklade Road site, east of East Street was considered feasible and the remaining options are no longer under consideration.

Do you agree that this is the best site for development? YES   NO

**Housing.** The number and type of houses to be built have yet to be proposed. The number suggested in the drop- in sessions was no more than 30-35 small and medium sized units. **However a more flexible approach could lead to additional or improved facilities for the village.**

Would you prefer a more flexible approach? YES   NO

**Settlement Boundary.** Other than a few infill sites, any future development will need to be on green-field land outside the present settlement boundary. The proposed boundary incorporating the Chicklade Road site is shown on one of the display boards.

Do you agree with the proposed boundary change? YES   NO

**Any further comments on the Overall Plan?**

A large, empty rectangular box with a black border, intended for providing further comments on the Overall Plan. The box is currently blank.

**Feedback Form 2 – Questions and your comments about the C. G. Fry concept options for Chicklade Road. (For your Comments on the Overall plan please see Feedback Form 1 on the previous page).**

**Landscaping and Green areas:** The design of any new development must show an understanding of the character of the village in its landscape setting.

**Do you think that the C.G. Fry concept illustrations, on display, meet this objective.?**

YES   NO

**Question 1**

**Would your preference be for Option 1 (Surgery at bottom of site)?**

**OR**

**Would your preference be for Option 2 (Surgery at top of site)?**

**Please mark one box only.**

**Question 2**

**In a few words why have you chosen this option?.**

I have chosen this option because...

**Any further comments?.**
