HINDON NEIGHBOURHOOD DEVELOPMENT PLAN OUTLINE PROPOSALS

**OPEN DAYS
11th & 18th FEBRUARY 2017**

FEED-BACK FORM

INTRODUCTION

To enable the Steering Group to develop the Hindon Neighbourhood Development Plan, we ask that residents of the village complete this form.

You will have obtained this form following your attendance at one of the 2 Drop-in sessions and therefore trust that through the display boards and any questions you might have raised that you have obtained sufficient information to make considered judgements on what is being suggested and to make alternative views known as you feel appropriate.

We would remind you that if NO Neighbourhood Plan is in place at the end of this consultation it is possible that potential developments will be at a higher density and without consideration of the community needs
